

A digital approach to learning

High quality e-textbooks and digital content is an important step to achieving that. Research conducted in secondary schools discovered that ICT ¹ can have major benefits for students, including:

- increased motivation
- increased active participation/creativity
- improved knowledge and skills
- increased responsibility and self-esteem
- increased collaboration

¹ The Africa Institute of South Africa's policy brief on 'Information and Communication Technology (ICT) as a Means of Enhancing Education in Schools in South Africa'.

Simple, streamlined procurement tools

Our simple procurement processes save time, and ensure that everyone gets access to the correct resources.

Savings

Select a license period that works for you and your budget.

Self-service

You have full control over your prescribed lists and groups.

Integrated Payment

Whether parents purchase, or the school does: pay by credit card or EFT.

Early Access

Students and teachers have access to books from day one.

Finalisation Period

You have until the 31st of January to finalise payment.

Flexibility

You have the power to make adjustments before placing your order.

Minimum Device Specifications

Minimum operating systems supported	Minimum device specifications
<ul style="list-style-type: none"> • Android 5.0 • iOS 9 • Mountain Lion OS • Windows XP, Vista, 8, 10 • Chrome OS 50 	<ul style="list-style-type: none"> • Dual core processor • At least 1GB of ram • At least 16GB of memory
