01 December 2021

Dear Parents / Guardians

Please take note of the following information regarding your child's textbooks for 2022. During the past year (2021) we've had several issues regarding the use of tablets and e-books in the classroom. The Tablet Policy clearly states that the tablet is to be used for educational purposes only. Regardless of the tablet policy, there was still many Tablets with sim cards, games and other non-educational content.

During 2021 the school didn't see much effort from the parents regarding the Tablet Policy. Due to this: The school have decided to start phasing out the use of tablets in the classroom. Tablets will still be allowed in the classroom for the 2022 academic year.

All Tablets are to be phased out by 2023. You have two options for the upcoming academic year (2022): E-books or Hardcopies. E-books can still be obtained by using our current procedure. If you prefer to rather purchase hardcopies of the textbooks, you may follow this link to place your order: <http://www.dcbooks.co.za/Elica-Primary-School-c125215751>

All students should strictly have their textbooks (hardcopies/e-books) at their disposal by 17 January 2022.

A list will be provided with ISBN numbers for the correct books needed.

Kind Regards

Management

OPTION 1: SNAPPLIFY – DIGITAL LEARNING (e-BOOKS)

The school will not accept any e-Book related payments, ALL payments for e-Books should be made directly to Snapplify.

Since we have already set-up this year's prescribed books using Engage, **when you log in to Engage using your child's details, you will find exactly what you need to buy for next year.**

Please follow this link, to log in to Engage: <https://elicaprimaryschool.snapplify.com>

e-login details for Engage can either be obtained from Snapplify or the school.

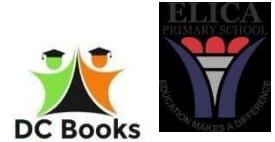

How to purchase in Engage

1. Log into Engage using your child's login details.
2. On the Engage Overview page, join any joinable groups you need to in order to be allocated specific books. *You'll only need to do this if your school has asked you to; otherwise, proceed to the next step.*
3. Navigate to 'My Books' then click the green 'Review Order' button. (You can also click the 'Review Prescribed Order' button at the bottom of the 'Groups' block on the Engage Overview page if your school has enabled joinable groups.)
4. On the next screen, you can review the titles that have been allocated to your child's order.
5. Should you wish to remove any titles (if, for instance, you already have a copy of a textbook), you can select specific books using the checkbox selector to the left of each title, then click the 'Remove' button. The page will be updated to reflect the titles that are still part of your child's order. If you make a mistake and remove the wrong title, simply click 'Back' or navigate to 'My Books' (in the toolbar on the left-hand side of your screen), to refresh the list and begin the process again.
6. Once you have double-checked that your order is correct, click the 'Place Order' button.
7. When prompted, you need to enter your child's login details again. After logging in, you'll be automatically redirected to the payment page, where you can select your preferred payment method.

If you have any questions or need help, do not hesitate to get in touch with the school (Sir Stefan van Wijk e-mail: stvanwijk@gmail.com or cell / W/app 060 693 4939) or the Snapplify Customer Service Team. You can email them at help@snapplify.com.

OPTION 2: HARDCOPIES

ELICA PRIMARY SCHOOL BOOKLIST FOR 2022

TEXTBOOK SUPPLY 2022

We are offering the service of pre-packing the books and stationery and delivering to your home or office. Please place orders for your textbooks and stationery as soon as possible.

For any issues when ordering you can contact the DC Books Customer Services through the Live Chat line on their website at: <https://dcbooks.co.za/> The online chat is available until 10pm every evening and is located at the bottom right-hand corner of the website dcbooks.co.za. Please address all your queries with DC Books directly and not with the school as they are in a better position to assist.

HOW TO ORDER:

Go to the DC Books Website <https://dcbooks.co.za/> then select the link to School Books and Stationery then select 2022 School Year, then select Elica Primary School, where all the Grades are listed or alternatively you can click on the direct grade links below to access the Elica Primary School Textbooks and Stationery :-
